INTERNATIONAL COMPETITIVE BIDDING (ICB)

Ministry of Mahaweli Development & Environment

Coast Conservation and Coastal Resource Management Department

**Colombo South Sand Nourishment Project – Stabilization of Mt. Lavinia to Angulana Coastal Stretch Using Sand Engine Method and Restoration of Eroded Natural Sand Bar at Kalutara River Mouth
(Contract No. CCD/RD/08/32/SN/MLAN)**

- 1.0 The Democratic Socialist Republic of Sri Lanka has initiated Colombo South Sand Nourishment Project – Stabilization of Mt. Lavinia to Angulana Coastal Stretch Using Sand Engine Method and Restoration of Eroded Natural Sand Bar at Kalutara River Mouth of Sri Lanka, with fund allocations from Government of Sri Lanka (GOSL), and intends to procure services for mining of sea sand from the intended off-shore borrow area and nourishment at Mount Lavinia to Angulana coastal stretch by Sand Engine Methodology (Proposed Stretch 1) and Re-creation of natural sand bar at Kalutara River Mouth (Proposed Stretch 2).
- 2.0 The Chairman, Standing Cabinet Appointed Procurement Committee (SCAPC) on behalf of the Ministry of Mahaweli Development & Environment, now invites sealed bids from eligible & qualified dredging contractors for mining of **Eight hundred thousand cubic meters (800,000 m³)** of sea sand from off-shore borrow area extended 6 km² from midpoint of 6°48'2.13"N, 79°49'43.62"E and nourishment locations which describes as bellow.

Stretch		Nourishment Volume (m ³)	Location
Stretch 01	Pumping and spreading in on-shore, north of headland at Mt. Lavinia	150,000	6°50'5.42"N 79°51'45.57"E Refer Annexure III
	Pumping and spreading in on-shore at Angulana by sand engine methodology	350,000	6°48'17.82"N 79°52'11.05"E Refer Annexure III
Stretch 02	Pumping and spreading in on-shore north of Kalutara River Mouth along the existing shoreline	300,000	6°35'37.7"N 79°57'10"E Refer Annexure III
Total		800,000	

(Note: These locations may vary approximately 500m northward or southward according to the site conditions at the time of beach nourishment.)

The bidders with required experience in off shore sand mining and beach nourishment projects and vessels with necessary plants and equipment for off-shore sand mining in depth beyond 15m pumping & spreading on-shore shall submit the bids. The contract is expected to be completed within **three (03) months** from the date of Commencement as in the Letter of Acceptance.
