NATIONAL INTEGRATION AND RECONCILIATION**

While respecting the richness of our diversity
of different ethnicities, religions, regions and languages,
With the firm objective of making National Integration a reality in Sri Lanka,
we all solemnly pledge in this manner:

We are members of one and the same human race.
We will strive resolutely with determination
to foster peace among all citizens and communities in Sri Lanka
with understanding, mutual trust,
and a boundless sense of unity and compassion amongst all of us.

We pledge that we will join hands with one another
to achieve this noble objective,
and build a prosperous nation
with a Sri Lankan identity.

With clear understanding and recognition that,
to achieve sustainable development and prosperity,
national integration, reconciliation and lasting peace are essential,
we hereby pledge to act and work towards making these objectives a reality.
